An economical way of dividing workspace

Organizing some space both over and under the table
has a lot of advantages.
Work becomes more pleasant and more effective.
Due to the implementation of proper
accessories it is very easy to keep order.
Simple and stabile holder adjusted to bigger computer
set up vertically, directly under the desk top provides easy
access to the unit and greater freedom of movements.

120°
workstation

ALFA 120° workstation is ideal solution where communication is required.
